### A NOTED JUDGE SAVED BY

Had Catarrh Nine Years--- All Doctors Fuled.

Hon the Kersten, a well-known louise of the Process on summer of the Vasas of Holland with calarth for nine years. My catark was located chiefly in my head. I tried many remedies without wastl, and applied to several doctors, but they were not able to cur me. I learned of the remedy, Peruna, through the daily newspapers. After staing the remedy for 18 weeks I was entirely carred. I consider that the tried was careful. We have the process of the stain the remedy and a half years since I was certified.
